Health and Rescue Foundation of Petit Basset Griffon Vendéen Club of America

Reimbursement for Blood Donation Expenses

Sending your PBGV's blood sample to the CHIC DNA Repository helps researchers who are investigating health problems specific to PBGVs, or found in many breeds including PBGVs.

Ask your vet to draw a blood sample during your next check-up and ship the blood sample to the Repository, which is maintained by the Orthopedic Foundation for Animals (OFA). Follow the directions found on the OFA.org website:
https://ofa.org/wp-content/uploads/2021/05/Detailed-Instructions-Blood-Sample.pdf

Bad news – the OFA instructions are complicated. Don't hesitate to email questions to laura.liscum@tufts.edu

Good news – the Foundation will reimburse you $75 towards the cost of blood draw and shipping.

Your Name _____

Address _____

City, State, Zip _____

PBGV's Name _____

Vet Name _____

Address _____

City, State, Zip _____

Mail this form + the vet clinic invoice for the blood draw + the shipping receipt to
Jo Anne Hacker, Treasurer, 10832 NE Country Club Rd, Bainbridge Island, WA 98110

The vet invoice should include your name and the PBGV's name.
The shipping receipt should show the OFA address in Columbia MO.
